

Search Continues For Missing Woman in Centre County

Jul 22, 2007

State Police in Dubois continue the search for a missing woman.

Joey Offutt has been missing since July 12th, when fire tore through her Jefferson County home, killing her infant child.

Last week her car, a red Saturn, was found in State College near the Nittany Gardens Apartments.

Offutt is 33 years old, five feet three inches tall with brown hair and eyes.

Investigators are asking anyone who was in State College at that time and think they may have seen her or the car to contact them at 371-46-52.
